POWDER COATING

Classic and Elite garage doors can be powder coated any RAL / BS colour for £50 per m².

Complete door powder coating includes matching box and guides. A minimum charge of

£60 net applies, and non-stocked colours are subject to an additional surcharge. See page 67 for more information.

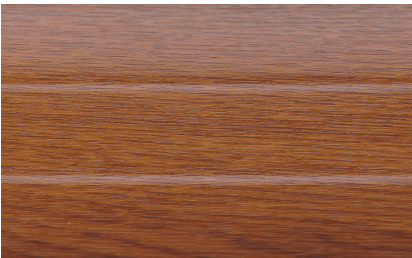

WOOD LAMINATE FINISHES

Please add 15% surcharge to roller garage door prices for wood laminate effects. The laminate finish applies to one side only and is therefore only suitable for internal face fits. Supplied with brown box and guides as standard.

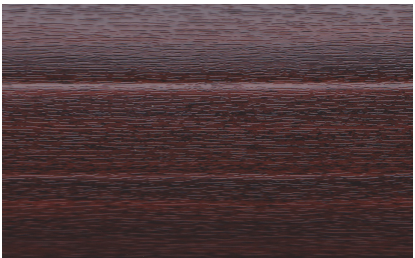

LAMINATE IRISH OAK

LAMINATE GOLDEN OAK

LAMINATE ROSEWOOD

LAMINATE MAHOGANY

*Close colour match Sage Green (RAL 6021) is also available on request for Classic and Elite doors. This is a non-stocked item which requires a longer lead time.
All colours shown as a guide only due to variances in the printing process. RAL / BS references quoted are the nearest standard colour and may not match perfectly. Please note rub marks may occasionally occur at the top of the concave internal side of the door. This is unavoidable and due to prolonged contact with the locking system. On externally fitted doors this will be visible on the outside.
